***To Be One With Each Other***

What greater thing is there for two human souls  
than to feel that they are joined together to strengthen  
each other in all labour, to minister to each other in all sorrow,  
to share with each other in all gladness,  
to be one with each other in the  
silent unspoken memories.

**I PROMISE**

I promise to give you the best of myself and to ask of you no more than you  
can give.  
I promise to respect you as your own person and to realize that your inter-  
ests, desires and needs are no less important than my own.  
I promise to share with you my time and my attention and to bring joy,  
strength and imagination to our relationship.
